RE: Allowing Curbside Pickup of Retail Sales

Dear Governor Wolf,

It has been a long several weeks for citizens of Pennsylvania, and we're confident you're hearing the same requests to return to a state of normalcy that we are. It is our desire to express our thoughts that you should allow all retail sales to offer curbside pickup throughout the Commonwealth.

The COVID-19 Pandemic has hit us all hard, perhaps none so much as those of us in the Southeast. We have worked hard to flatten the curve and care for our citizens and most vulnerable in the midst of the highest number of cases in the state, but our constituents are understandably yearning for some semblance of normal. Given the understanding that the Southeast portion of Pennsylvania will remain in the Yellow Phase of your order for some time, we believe it is right for you to allow these curbside pickups for not only the health of our local economy, but also for the mental health and safety of our citizens.

Again, we implore you to consider reopening retail curbside pickup Statewide. This is something that we feel strongly about, as well as a number of our colleagues in the House and Senate who are struggling trying to answer the questions of our constituents and offer them some kind of light at the end of the tunnel. This is one step that you can take to show you're listening to all of the citizens of the Commonwealth.

Thank you in advance for your attention to this matter.

Sincerely,
